Easter at Grenada

Nigel Lindsay is a CF minister, who now serves with the Presbyterian Church in Grenada (PCG), through a joint CWM and Caribbean and North America Council for Mission (CANACOM) partnership as Pastor and Chaplain.

Nigel was able to do two Easter assemblies at the Primary School, one where they shouted Hosanna as Jesus came into the church on his donkey (followed the donkey puppet). The second they had the Last Supper and the washing of feet acted out. He was then able to pull it all together with 6 bases in front the School Pasture visited by all the children as Nigel told the Easter Story and they sung and prayed together.
